Nomination

Please provide up to one page describing how the nominee has met the criteria of a “sustainable contribution to humanitarian efforts”. Include a description of volunteer activities, accomplishments and/or projects, and any additional information that supports that this is a sustainable contribution in a related Rotary International Area of Focus. A photo of the nominee would be welcome, along with photos or brochures from projects.

Your nomination should answer these questions:

Who was impacted by the actions of the nominee?

How were they impacted by these actions?

What impact is there societally?

Is the action sustainable?

Are there other individuals who would endorse this nomination? You may include letters of support and the name and contact information for these individual/s.
